Resolution 2026-02

WELCOME to the Oriental In-Water Boat Show & Nautical Flea Market

For the sixteenth year, the Oriental Rotary Club will sponsor an annual In-Water Boat Show. The Funds raised from this event are used for scholarships for deserving students, and to aid other charitable organizations within our community.

The Boat Show is one of the major events of the Town of Oriental and provides an economic impact for the businesses in town. The Commissioners of the Town of Oriental would like to pay special tribute to the sponsors of the Boat Show and to all the volunteers and people who visit this event. Without their support, the Boat Show and all the good it accomplishes would not be possible.

NOW, THEREFORE, I Sally Truitt Belangia, Mayor of Oriental, do hereby proclaim April 10-12, 2026 as the Oriental In-Water Boat Show & Nautical Flea Market Weekend.

WITNESS my hand and seal this 10th day of March, 2026.

Subject: Welcome to the 2026 Oriental In Water Boat Show

Dear 2026 Oriental Boat Show Attendees and Vendors:

On Behalf of the Pamlico County, I would like to extend a warm welcome to everyone. If you are attending the Oriental In Water Boat Show as a vendor, a volunteer, to check out a boat and equipment, or to visit and play, you will enjoy our scenic county and all that it has to offer. With over 266 miles of navigable waters and friendly people, it is nature's playground and a place where the simple things are still good.

We appreciate the hard work and leadership of the Oriental Rotary Club. They have made this event a growing success each year. In addition, without the support of our local businesses, volunteers, and the Town of Oriental, this event would be impossible. The scholarship provided from the funds raised through the Oriental In Water Boat Show will aid several deserving young high school graduates in making the transition to college a reality.

Thank you all for attending. Enjoy the boat show and we hope you will visit with us again soon.

Sincerely,

Mark Brewington
Pamlico County Manager

16th Annual Oriental In-Water Boat Show and Nautical Flea Market

Dear Visitors, Exhibitors, and Fellow Boating Enthusiasts,

It is with great excitement that we welcome you to the 16th Annual Oriental Boat Show, held in the heart of the harbor area in Oriental, North Carolina, the Sailing Capital of North Carolina and the center of North Carolina's champion red drum country.

Over the past 16 years, this show has grown into one of the premier in-water boat shows in the Southeast, and 2026 promises to be the most fun yet. Whether you want to explore marine gear, search for your next vessel, visit with world-renowned vendors, gain insights from boating professionals, or enjoy tasty local seafood and a beverage at the harbor front, this event offers the perfect backdrop for a weekend of fun. You'll find great bargains at the Nautical Flea Market and don't miss our live music and beer tent on Saturday!

To our vendors – thank you for showcasing your incredible products and services and your professionalism in creating an atmosphere of energy and innovation at this boat show. Your expertise and generosity are what makes this show a standout experience every year.

To our visitors – we appreciate you choosing to spend your weekend in our unique and charming town. Whether you came to browse, buy, or just enjoy the coastal vibe and spirit, your participation brings energy and excitement to the event.

This show is more than just a gathering of maritime lovers—it is the primary fundraiser for the Oriental Rotary Club. By joining us, you are directly investing in our community. All net proceeds provide scholarship for Pamlico County students and support various charitable projects and non-profit organizations that keep our local community thriving. Your participation opens doors and creates opportunities for the next generation. The Oriental Rotary Club greatly appreciates your support of our mission of 'Service above Self.'

To our returning vendors and longtime visitors, thank you for your continued loyalty. To our new guests, we can't wait to show you why Oriental is so special. We thank everyone for joining us this weekend and until next year – may your boating always be on smooth waters and your fishing always include catching!

Sincerely,

Carol DeMoranville, President
Rotary Club of Oriental North Carolina

LIVE MUSIC

One of the boat show's sponsors, Evolution Sailmakers by Latell & Ailsworth, located in Oriental, is going to sponsor musicians this year at the corner lot on New Street and Water Street. This location is where the Ol' Store was located that had music 40 years ago on their old front porch. Owners were Lucille and Billy Truitt. Currently, Missy Baskervill is the owner and she gave Rotary permission to have music and a beer garden at this location!

We are excited to have local musicians who will be performing on Saturday only, from noon-6pm. They are as follows: "Notta Band" with George Bailey, Dave Holt, and Mac McWilliams. The music is fun with a Texas Swing, Blues, Bluegrass, and Americana music!

Mark is an Appalachian-born singer-songwriter whose music carries the deep influence of American mountain traditions and Scots-Irish folk roots. Now inspired by life along the coast in Oriental, North Carolina, his original songs tell stories of the town's people, its waterfront and working harbor, and the colorful characters who pass through. Along the way you may hear about harbor cats, wandering sailors, and perhaps even the mermaids and dragons folks swear still wander the nearby waters. Mark's performances blend storytelling, humor, and traditional roots music that feels both old and new.

Ken Belangia, Oriental NC, is a local musician that plays acoustic guitar, ukulele, banjo and sings. His music consists of old and new country, 70's rock, folk, gospel and bluegrass. He likes to put his own singing style and rhythm into the music when he performs. He has also developed different sound techniques that he uses in his performances. People can dance to his music or just sit a spell to listen to a good variety of music. He is one of Oriental's favorites that has been performing in our area for over 40 years. Contact Ken for your entertainment events at kenbelangia@gmail.com 252-675-2547

The Rotary Club of Oriental

This club stands as a beacon of service and community spirit. Established in 1951 in the Whitehurst Hotel, it has grown from a small group of twenty chartered members to a vibrant community of leaders committed to making a difference. "Captain Bill Mason" was our first president and active in our club until he passed away in 2001.

The founding members of the Rotary Club of Oriental embarked on their journey with a clear vision: to foster camaraderie among professionals and leaders and to leverage their skills and resources for the betterment of the community. Over the years, the club has become synonymous with initiatives that span the various facets of community life, ranging from education and health to environmental conservation and disaster relief.

While the club has made significant financial contributions to non-profits both locally and across the globe, the group also volunteers their time and expertise for a variety of efforts including building houses for Habitat for Humanity in Pamlico County, repairing homes impacted by Hurricane Florence, and delivering food to home-bound Food Bank recipients.

Today, the Rotary Club of Oriental continues its legacy of service with unwavering dedication. Its members, diverse in their professions yet united in their purpose, embody the Rotary motto, "Service Above Self." Through their various programs and initiatives, they continue to touch lives and build a stronger, more cohesive community.

As the club looks towards the future, it remains committed to identifying and addressing the evolving needs of Oriental and Pamlico County. With a focus on youth development, sustainable projects, and international partnerships, the Rotary Club of Oriental is poised to continue its journey of making a lasting impact in the lives of many.

The Oriental In-Water Boat Show

The Oriental In-Water Boat Show is produced by the Rotary Club of Oriental and is the primary fundraising activity of the club. 100% of the profits from this event go towards

supporting its programs and initiatives.

In the last four years the Rotary Club of Oriental has contributed more than \$500,000 to the organizations and initiatives below:

- College scholarships for Pamlico County students
- Pamlico Community College tuition awards
- Grants to top 10 graduating high school seniors in Pamlico County
- Dictionaries for all Pamlico County 3rd graders
- Gaga pits for Heartworks and Fred Anderson Elementary School
- Sound system for Fred Anderson Elementary
- Diapers for Pamlico Children
- Friends of Pamlico County Library
- Hospice of Pamlico
- Hope Clinic
- Girls on the Run
- Coins for Alzheimer's Research (CARTS)
- Heartworks
- Neuse Neighbors
- Pamlico County Fishes and Loaves
- Ukrainian Relief
- End Polio
- YNTO (Youth Navigating Toward Opportunity)
- Oriental History Museum

Rotary International Foundation

This year is the 16th Annual Oriental In-Water Boat Show. The club is grateful to our past member, Sam Myers, for leading the efforts to produce the show in its early years. This year club members started planning the event in September with a dedicated committee of about ten people led by our intrepid and hard-working co-chairs, John Barlow and Sally Belangia. On the week of the show it's 'all hands on deck' for the club to make this production successful and support its charitable efforts.

We hope you enjoy the boats, exhibitors, presenters, and camaraderie of the show. Your attendance is greatly appreciated and helps us continue to make a positive impact on those in need in our local community and the world.

"And after two days in civilization we realized we could never stay for long and started to plan our next adventure."

—Bob Bitchin (Letters from the Lost Soul)

IF PAST IS PROLOGUE, **OUR FUTURE HAS NEVER BEEN BRIGHTER.**

CELEBRATING 85 YEARS

For 85 years, Tideland EMC has been more than an electric cooperative—we've been a neighbor, a partner, and a promise of dependable power. From rural beginnings to today's modern energy needs, our commitment to the communities we serve has never wavered.

As a member-owned cooperative, we exist to serve you, guided by local values and powered by the trust of generations. We're proud of our past, grateful for our members and employees, and committed to delivering reliable service for many years to come.

Tideland EMC was incorporated in 1971 with the merger of Pamlico-Beaufort EMC and Woodstock EMC completed on January 1, 1972.

On January 1, 1973, Ocracoke EMC merged with Tideland. And on March 31, 1975, Pamlico Power and Light's ownership was transferred to Tideland EMC.

Today, Tideland EMC serves more than 24,000 metered services in Dare, Hyde, Beaufort, Washington, Pamlico and Craven counties.
